EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Eugene Lieberstein on 12/16/05.

The application has been amended as follows:

In claim 23, line 3, after "path", --or along a second transportation path-- has been inserted.

The above change has been made to provide an antecedent basis for the phrase, the first or second transportation path" at the end of the claim.

2. The following is an examiner's statement of reasons for allowance:

Claim 26 has been allowed primarily for the selector for selecting a first or second printing mode such that when the selector selects the second printing mode, the carriage is held stationary for printing.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
